THIS SUB-INDEX

IS AN INDEX OF ALL SURNAMEN THAT ARE TO
BE FOUND ON THIS GENERAL INDEX
WHOSE NAMES BEGIN WITH THE
LETTERS PRINTED ON THE
MARGIN TO THE RIGHT

The figure opposite the name in Sub-Index refers to the page of *this General Index*, on which page will be found a reference to the recorded instruments in which this name appears as

In this Index Family Names and Names sounding the same though spelled differently are grouped together in one place on the General Index. It is properly called an "Idem Sonans System."

The *SUB-INDEX* is so arranged as to be a quick and easy reference to the names on the General Index, which are placed on the Sub-Index in alphabetical order with reference to the first two or three letters of the Family Name.

For further convenience in searching, given names are distributed in three columns on the General Index, those beginning A, B, C, D, E, F, G, H being in the first column; those beginning I, J, K, L, M, N, O in the second column, and those beginning P, Q, R, S, T, U, V, W, X, Y, Z in the third column. Having found the family name page make your search in proper column for given name, if known. Additional Given Name columns can be added when desired.

The General Index can be ruled in any manner required, and is adapted for the indexing of all kinds of records, and for any number of names from 10,000 up to 1,000,000 or more.
